

EXECUTIVE DRIVER TRAINING COURSE

At the beginning of this course it is mandatory to complete and sign the Consent and Release of Liability Form Regarding Training. Please be advised that we have combined the day and night training into one day to save you from incurring possible travel and/or accommodation expenses and to make this course more economical for you and/or your company. We expect that this course outline will be the most cost efficient for you and your company, the pricing has been combined to encompass day and night training together. The summer and winter training are very similar with minor variations due to climate change. We will retrieve information from you on the make and model of vehicles your employees will be driving and we will use similar vehicles to ensure your employees are being trained best with what they will be driving.

This course includes in-class training, closed circuit training and on road training. Areas that will be covered in this course will include but are not limited to: Psychology of Driving, Cooperative Driving Skills, In Car Development, Reversing Techniques, Cornering Techniques, ABS Application and Collision Avoidance, Map Reading and Multi-Tasking, and Day and Night Driving.

Once you have successfully completed the Executive Driver Training Course a Certificate of Achievement will be issued to you.
